DHN is one of the most trusted, influential, and informative IT magazines covering the breadth and depth of web hosting, data center, cloud computing, domain, and reseller industry.

It is a one-stop destination for IT news, CXO interviews, articles and infographics for DevOps, web hosting providers and IT professionals.
Message from Editor's Desk

Hosting and data centre industry has an extensive knowledge and information pool that needs to be shared to benefit the industry at large, but the knowledge flow is uneven due to the unavailability of quality online resources, specific to the web hosting, datacentre, reseller and domain industry.

DHN fills this gap by providing a comprehensive information portal that promotes knowledge sharing and interaction between the industry members via news, informative articles, infographics, CXO’s interviews, industry events, reports and more.

We keep a close watch on the latest trends and bring the most refined pieces of information to our ardent readers – service providers, industry veterans, key decision makers, IT executives and thought leaders. Being closer to the industry, we know what our readers are most interested in or should be more aware of.

DHN’s ultimate goal is to benefit the industry members by helping transform knowledge into business value.
